

Fitted (Semifit) Playing Shirt

TERMINATOR

Please Note:

1. All the measurements are in inches.
2. The garment chest size is measured under the armpits.
3. Players with relatively small chest size (SB - XLB) but who are over 5' 9" in height should wear an adult shirt (XS and above). This will ensure that the shirt is long enough for their height.
4. The shirt is tapered at the waist and the arms and shoulders are tighter.
5. Players preferring a looser fit should go up a size or two.
6. For children under 14 the sizes from small down do not incur VAT.
7. We give you the actual shirt measurement so you can compare our sizing with your existing shirts. If you have one that fits well match up the size.
