

Pro-Fit (Skin Tight) Playing Shirt

TERMINATOR

Please Note:

1. These shirts are designed for adults rather than children.
2. All the measurements are in inches.
3. The garment chest size is measured one inch under the armpits.
4. These shirts are made from a 4-way stretch fabric to allow skin tight wear.
So the shirts are sized smaller than the individuals chest size.
5. The shirts are designed for skin tight wear so the fabric is a little lighter than regular rugby shirts to allow for a comfortable fit. We therefore do recommend that these shirts are worn skin tight to minimise the risk of damage from contact.
6. We also recommend a low profile collar with these shirts. Please contact us for a recommendation - 01933 411333.
